State Level Convention on Social Security for the Unorganised Workers
Demand for State-level social security Act

HT Correspondent
Bhopal, February 20

A DEMAND for state-level social security act was made by the Congress at a meeting of social security and labour rights organisations at the Bhopal Press Club on Saturday.

The beneficiary of social security and labour rights are the workers of organised sector, and there is a need to extend the benefits of social security to the workers of unorganised sector.

The Union Minister for Social Security and Labour Rights, Prabhudas Doshi, said that the Workers of the unorganised sector will also benefit from the social security act.

A delegation of the workers of the unorganised sector will be sent to the Ministry of Social Security and Labour Rights.

The delegation will be led by the labour minister, Javed Ahmad, and the state labour minister, Ramalinga Reddy.

The delegation will meet the workers of the unorganised sector and discuss the issues of social security and labour rights.

The delegation will also meet the workers of the organised sector and discuss the issues of social security and labour rights.

The delegation will also meet the workers of the organised sector and discuss the issues of social security and labour rights.
